DEVELOPMENT DEPARTMENT

75918 A/46
8.X.46.

No. E.3. 597/46 dated 1/10/46.

Sir,

Sub: Seeds and Plants - Improved seeds of Jonna and cotton - supplied to ryots - recovery - Waival requested.

The Dry Farming Development Officer, Hagari, issued 2632 lb of Jonna and 1000 lb of cotton seeds to ryots near Hagari farm, free of cost, for large scale trials in their fields over an area of 500 acres, on the understanding that the seeds would be recovered from them at the time of harvest. Due to the failure, of monsoon the Jonna crop was a complete failure, while cotton was about a four anna crop. The seeds advanced could not, therefor be recovered.

2. The Dry Farming Development Officer however made attempts to recover the seeds and due to his efforts, a quantity of 824 lbs of cotton and 273 lbs of jonna seeds was recovered. It was not possible to recover any more quantity due to the adverse seasonal conditions and consequent failure of the two crops. The seeds were issued free of cost on condition of returning them during harvest, as an inducement for the ryot to try the strains on a large scale and the failure on the part of ryots to return them is not due to their fault. If they are pressed hard, they will loose confidence in the Department and may not cooperate in the conduct of trials.

3. The cost of seeds yet to be recovered works out to Rs.107/1/6/- as detailed below:-

cost of 176 lb (1000-824) of cotton seed	Rs. 8-12-10.
cost of 2359 lb(2632-273) of Jonna seed	Rs.98- 4- 8
Total	107- 1- 6

In the circumstances stated above and inview of the fact that Government waived the collection of kist in the area, I request that Government may be pleased to waive the recovery of the balance quantity of seeds costing Rs.107/1/6/- from the ryots.

Your obedient servant,

7.10.46.
